

LIVINGSTON PIECEMAKERS QUILT GUILD

BLOCK OF THE MONTH OCTOBER, 2011

BASKETWEAVE – 12"

Supply list:

Color one – three 1-1/2" x 28" strips (fall colors)

Color two – natural muslin from Jean's Corner.
three 1-1/2" x 28" strips

Using a mat, ruler and rotary cutter, cut three strips of both colors 1-1/2" x 28".

Then sew a color 2 strip and a color 1 strip, using a scant 1/4" seam, pressing seams toward the darker fabric. Then sew on another color 1 strip. Now make another grouping, but just the opposite, color 2, color 1, color 2.

Mark off and cut these units at 3-1/2" intervals, to make 16 3-1/2" squares.

Sew them together. First make rows and then sew the rows together to make the block, again using scant 1/4" seams and pressing the seams in alternating directions by row.
